

**Release: February 6, 2023, Mohnton, PA**

### **Berks United FC to Partner with one of PA's Premier Clubs and Industry Leaders**

Berks United FC is excited to announce that starting with the Fall 2023 season, we are partnering with PA Classics! We are joining forces to bring together long-established club philosophies, best organizational practices, premier level coaching, resources, as well as access to the highest level of programming. This will help transition Berks United FC players to higher levels of play. A collaboration to unite two like-minded organizations that will further develop premier level soccer players in Berks County.

Berks United FC will still maintain its identity and ownership, all current philosophies and mission, as well as player development pillars. PA Classics is collaborating with Berks United FC to be a managing partner. Through this partnership, they will work closely with Berks United FC's management team to implement some of their well-established curriculum and programming into current curriculum and program offerings. In addition, Berks United FC players will have access to PA Classics Player Pathways, which include their Academy and MLS Next teams.

"PA Classics is one of Pennsylvania's leading club teams. They have a long history and deep tradition of developing some of our regions and Nation's most premier soccer players," states Berks United FC Club Owner, Becky Wells. "We have similar missions and philosophies. We have spent the past year building this relationship, and we are thrilled to announce this partnership. Our club has grown significantly since our inception in 2020 and is continuing to grow. We know that together, we can further develop and grow soccer in our region."

"Berks United FC has similar visions and objectives as PA Classics AC," says, Steve Klein, Director of Coaching. "During a time in this country, where we expect to see tremendous growth in our sport, coming together just makes sense. It allows us to share in resources and facilities which will best help us to develop our soccer players and game."

Berks United FC will now be known as Berks United Classics FC. Further club details can be found here:
